## Testimonials

### Sarah & Scott Nichol

.....  
We would like to thank you so much for your considerable hospitality on August 16th for Sarah's wedding. We were most impressed when we first stepped through the doors at Cams Hall, even more when we went upstairs. There & then we stopped looking for a venue for this important day.

Having made our decision we were further delighted by the quality of care we had from the staff who were always ready with good natured answers to any queries & who accommodated us on several visits during the planning stages, especially when the groom's parents came from Canada.

### Vicky & Gareth Hawkes

.....  
Thank you for all your help in arranging our wedding. We had an absolutely fantastic day and the Hall in the photos looks beautiful and made a wonderful setting for our Marquee. It really was a dream come true.

### Jo & Jim Bliss

.....  
To everyone at Cams Hall, a big thank you for all the hard work and help for our wedding – we had the most amazing day, in such beautiful surroundings.

### Dave & Natalie Foster

.....  
We just wanted to say a huge thank you to all of the team at Cams who helped in the lead up to our wedding and on the day itself. The day went absolutely perfectly, the weather was great and you were a great help and support. The Hall was absolutely lovely and all our guests commented on how beautiful the setting was.

## Amy & Chris Cole

We would just like to send a massive thank you to all who helped at Cams Hall for our special day. We really did have the time of our lives. We couldn't have asked for more: from the initial booking to the ceremony, everyone was so friendly and accommodating.

It really is such a beautiful place and setting. I used to walk past it every day on my way to school and never once dreamt I would one day be able to get married there, all these years later!
