

CAMS CH HALL

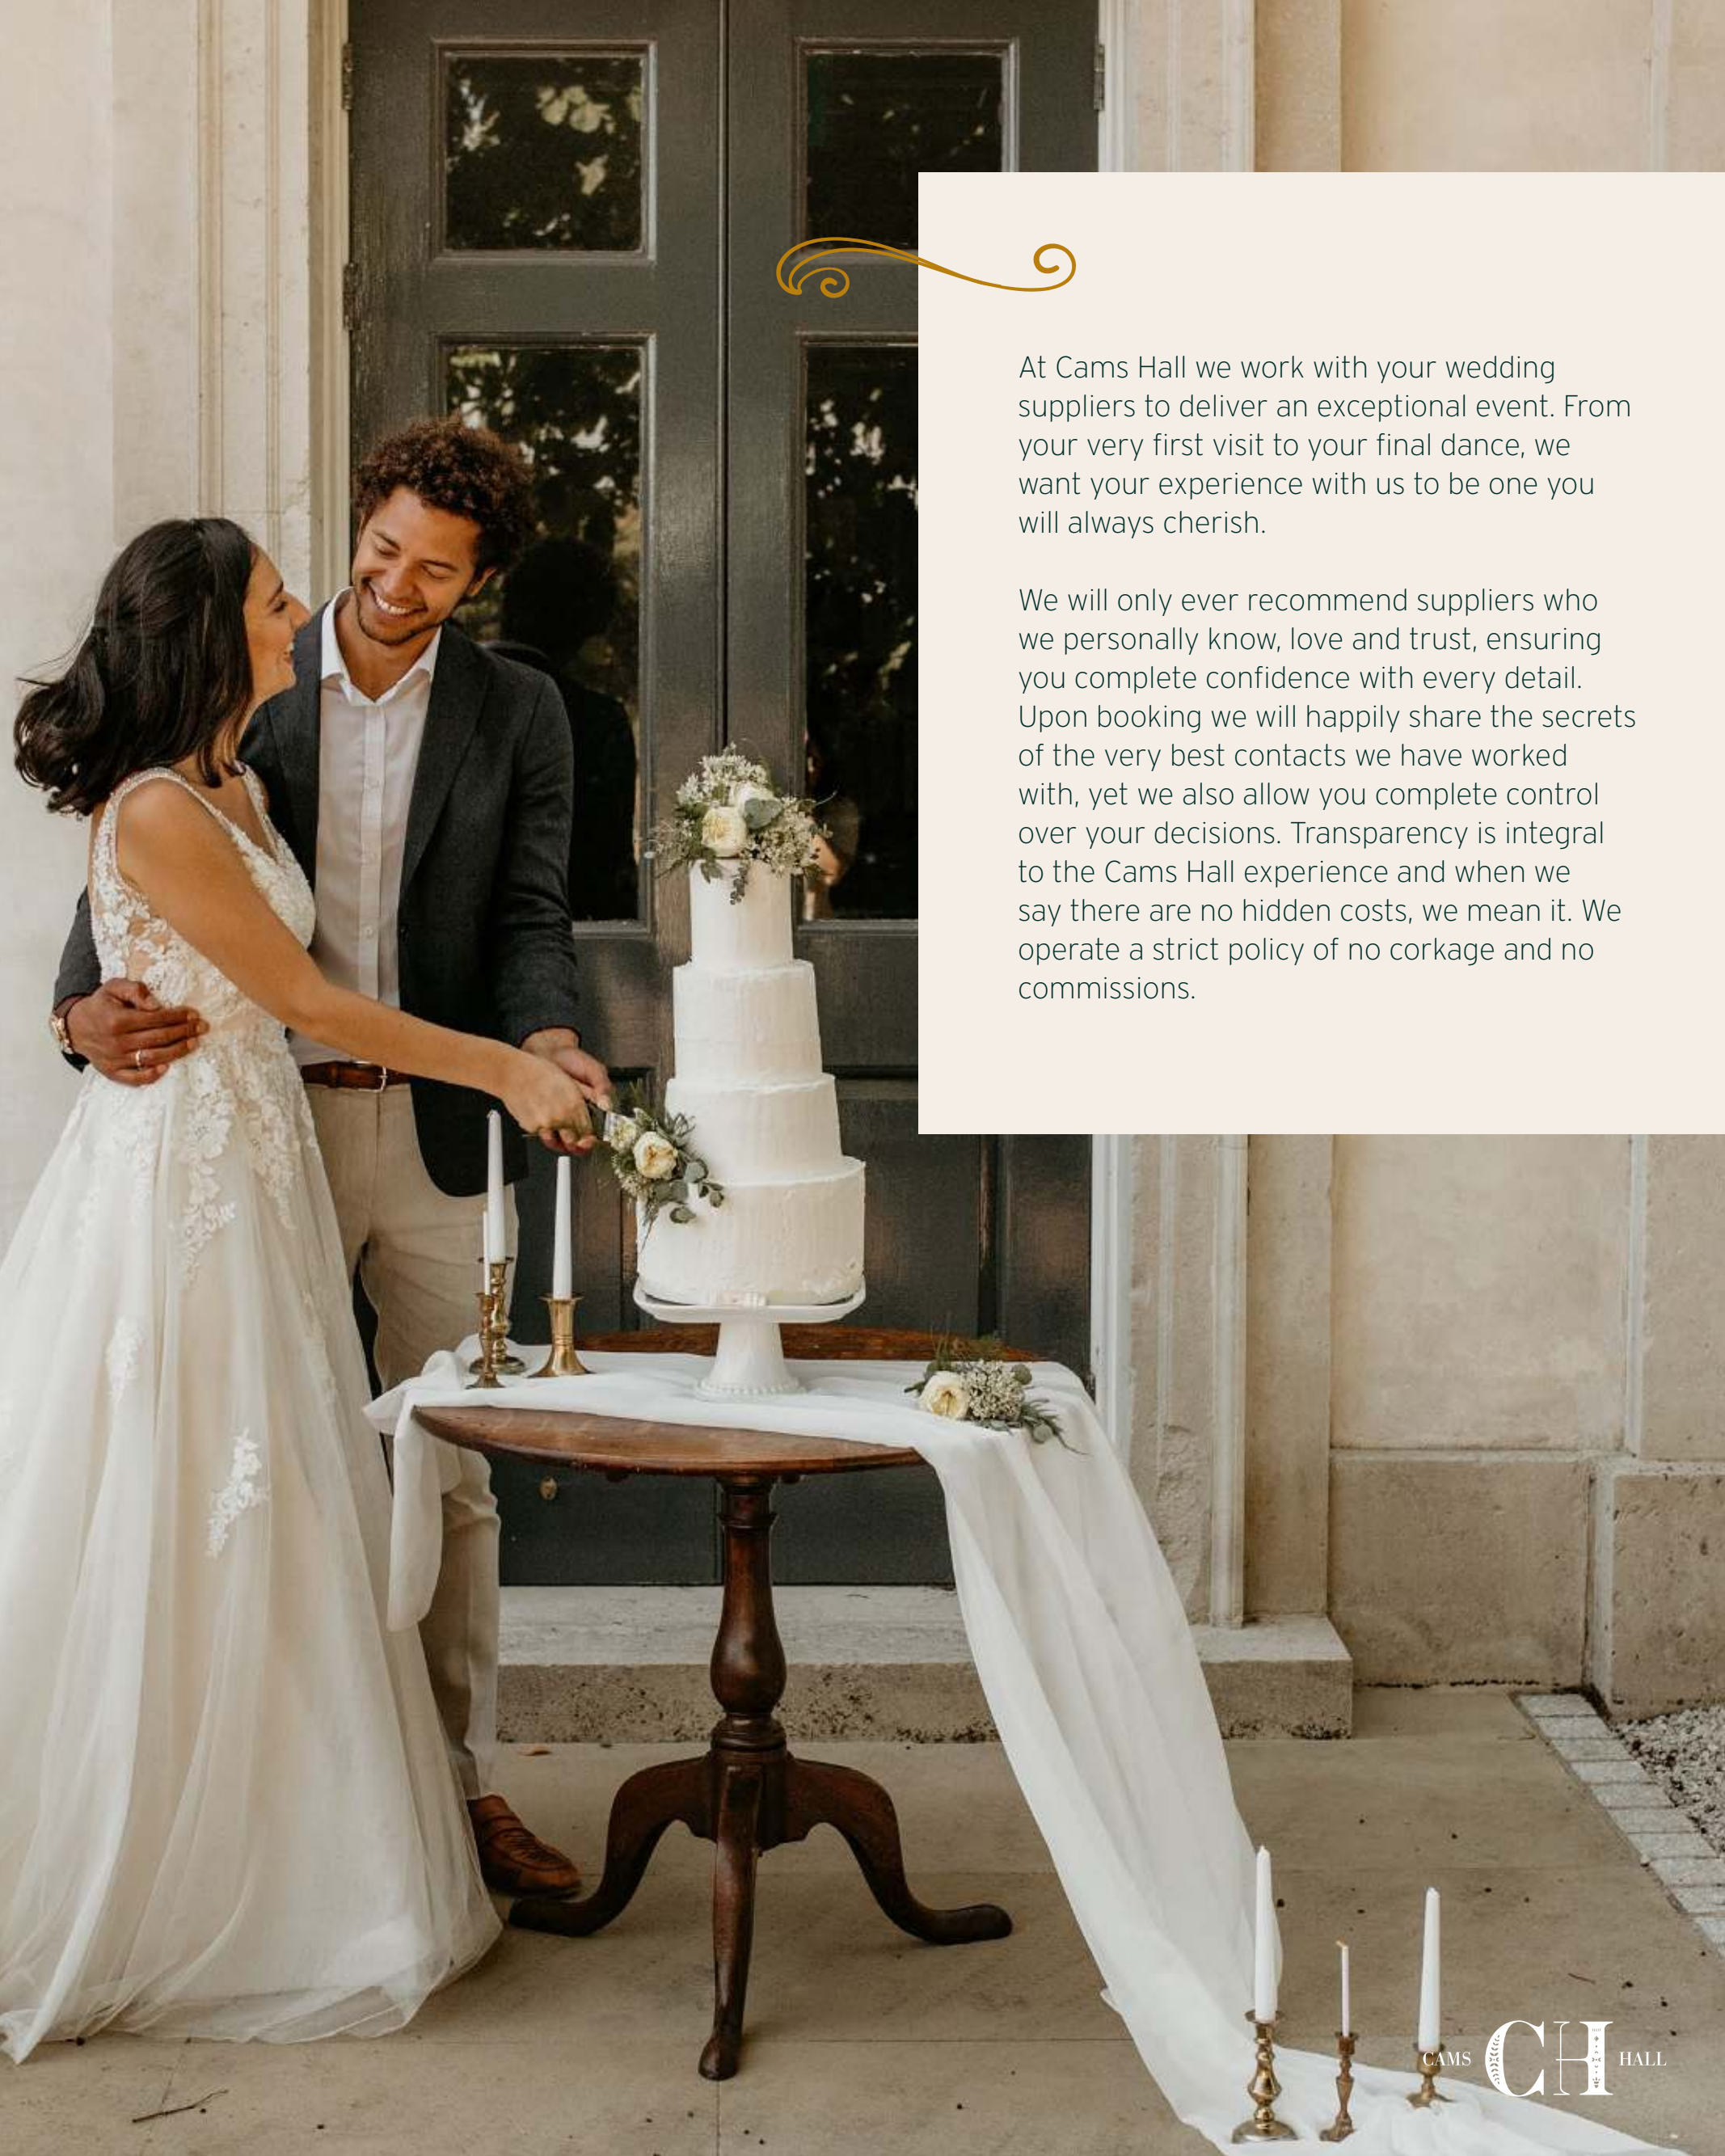

A Personal Welcome to Cams Hall

Cams Hall is a 300-year old Grade II listed mansion situated in idyllic parkland in the heart of Hampshire. The house has been privately owned for over 20 years and we are delighted to be able to share it with you for your special day. The house and grounds will be exclusively yours to host your wedding ceremony and drinks reception or marquee celebration on the lawn.

We want each wedding to be a unique celebration, allowing you to enjoy the house as your home for the day. It would be our pleasure to welcome you here and assist you in planning an unforgettable occasion.

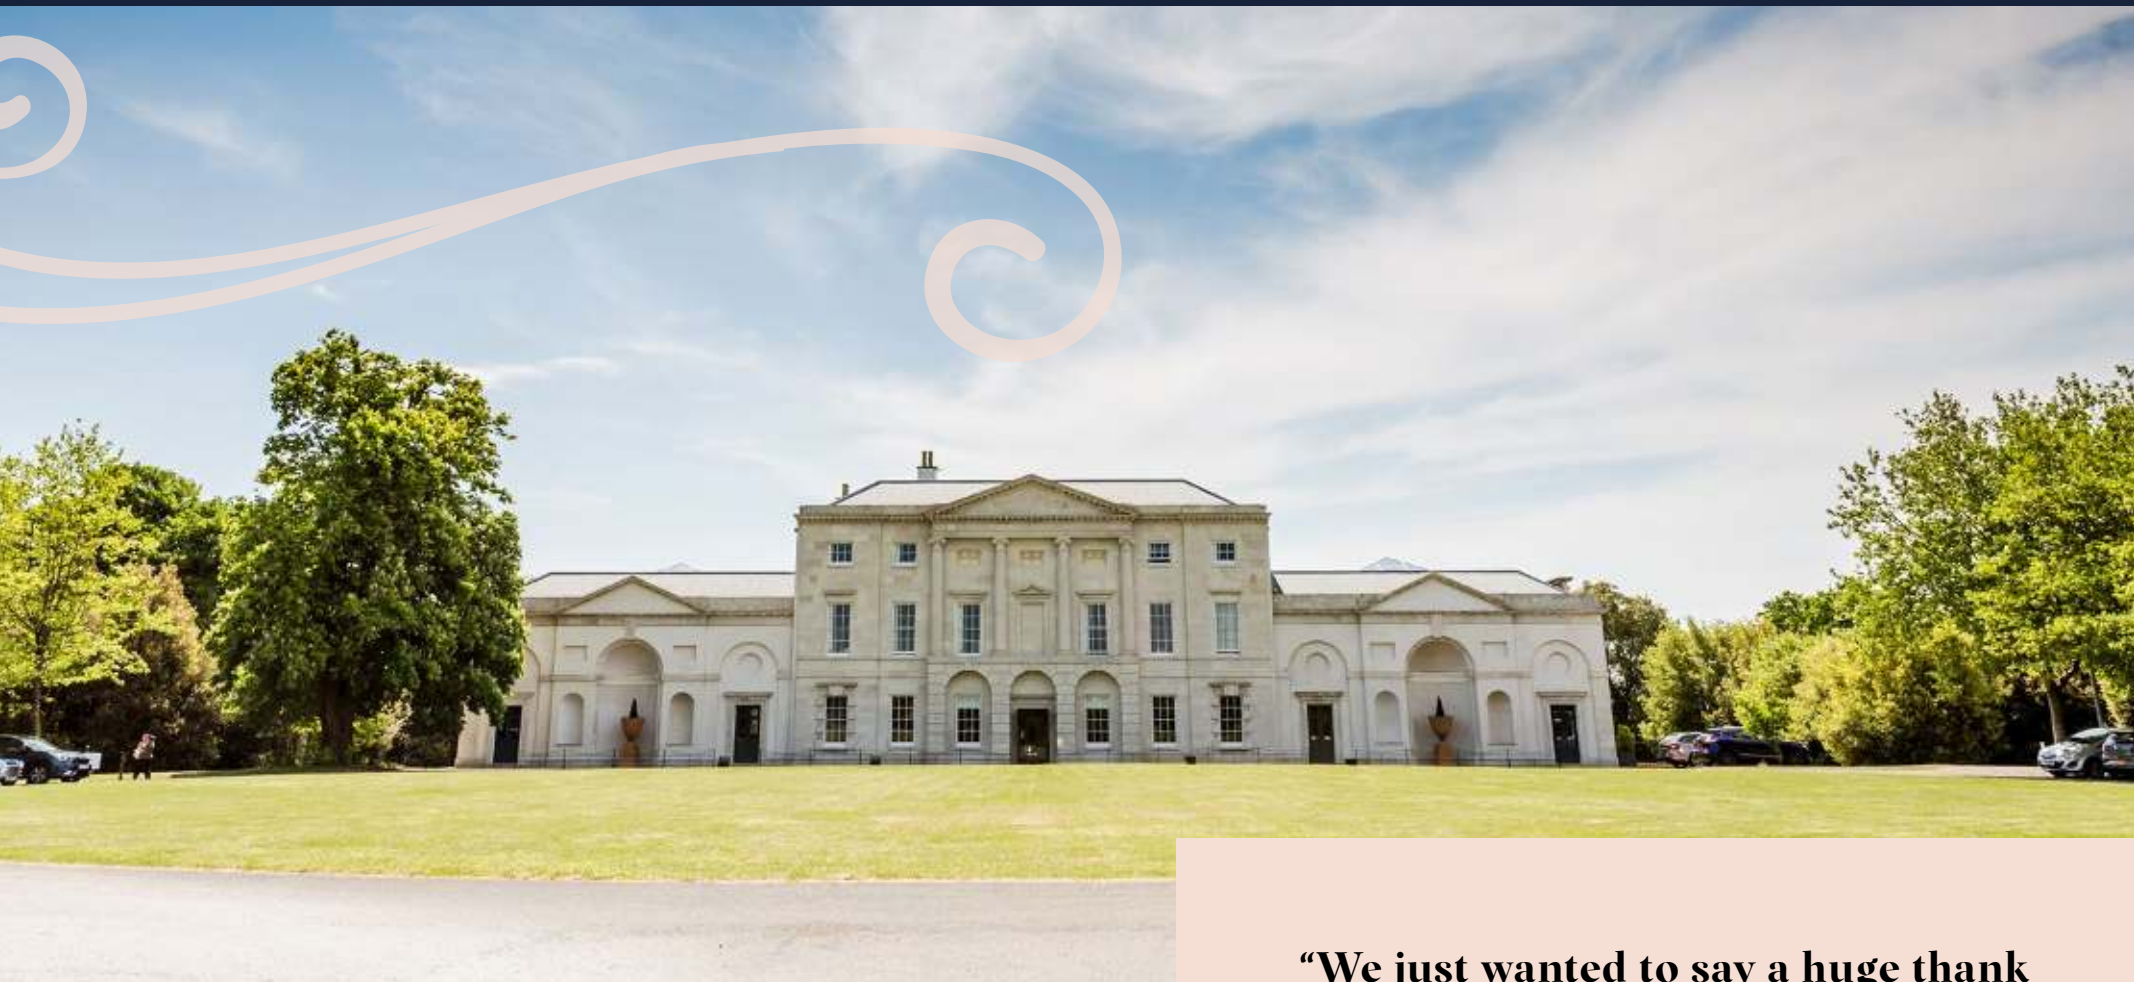

At Cams Hall we work with your wedding suppliers to deliver an exceptional event. From your very first visit to your final dance, we want your experience with us to be one you will always cherish.

We will only ever recommend suppliers who we personally know, love and trust, ensuring you complete confidence with every detail. Upon booking we will happily share the secrets of the very best contacts we have worked with, yet we also allow you complete control over your decisions. Transparency is integral to the Cams Hall experience and when we say there are no hidden costs, we mean it. We operate a strict policy of no corkage and no commissions.

History and charm

A breathtaking backdrop

The impressive driveway leading to Cams Hall sets the scene for a spectacular wedding location. A magnificent mansion restored to its original Georgian splendour, Cams Hall boasts a striking Portland Stone frontage that provides the perfect backdrop for your special day.

Available on an exclusive-hire basis, the house is fully licensed for civil ceremonies and offers several elegantly appointed rooms ready to be configured to your individual requirements. Situated close to the M27 at J11 and Fareham's mainline railway station, Cams Hall is easily accessible for your guests. The property has fast motorway links to ferry ports, regional and international airports and complimentary parking within the grounds.

“We just wanted to say a huge thank you to all of the team at Cams Hall who helped in the lead up to our wedding and on the day itself. The day went absolutely perfectly, the weather was great and you were a great help and support. The Hall was absolutely lovely and all our guests commented on how beautiful the setting was.”

Dave & Natalie Foster

Cams Hall creates a memorable first impression where a warm welcome awaits. Step inside the chandeliered entrance hall before being escorted to the Inner Hall with its cantilevered marble staircase. Tastefully furnished to complement the impeccable interiors, the Adam-style rooms combine the romance of the mansion's historical past with breathtaking views across the grounds. After your ceremony, the lawns provide an idyllic setting for a champagne and canapé or marquee reception with sweeping views across the Estuary.

“We were most impressed when we first stepped through the doors at Cams Hall, even more when we went upstairs. There and then we stopped looking for a venue for this important day.

Having made our decision we were further delighted by the quality of care we had from the staff who were always ready with good natured answers to any queries and who accommodated us on several visits during the planning stages, especially when the groom’s parents came from Canada.”
